RE: Private Road Ordinance
Second Reading Postponement to June

This request is for the Township Board to postpone the second reading of an Ordinance to Amend the current regulations of the Private Road Ordinance to the June 8th, 2026, meeting.

I will be unavailable (out of the state) for the May 11th Township Board meeting and as an integral contributor to the proposed amendments, I want to attend to assist with their review. I would also like more time to compile the file history regarding private drives as it relates to the proposed changes and share this with the Township Board.

Accordingly, I respectfully request that the second reading and consideration of the proposed amendments be postponed until June 8, 2026 Township Board meeting.
